President of the Republic of Azerbaijan

AZERBAIJAN INTERNATIONAL INVESTMENT FORUM

AIIF 2026

25–26 September 2026

Baku, Azerbaijan

Where Global Capital Meets Azerbaijan

The Azerbaijan International Investment Forum (AIIF) is the country's flagship investment platform, bringing together international investors, government institutions, companies, financial institutions and business leaders in Baku — under the patronage of the President of the Republic of Azerbaijan, H.E. Ilham Aliyev.

The Forum presents Azerbaijan's investment opportunities, showcases projects in priority economic sectors and expands cooperation with foreign investors across plenary sessions, panel discussions, project presentations, an exhibition and dedicated business meetings.

AIIF 2025 RESULTS

AIIFORUM.AZ

Why Azerbaijan

At the crossroads of Europe and Asia, Azerbaijan bridges East with West and North with South — a strategic hub on international transport corridors with a stable, diversifying economy and a liberal investment environment.

\$58bn+

Strategic FX reserves

Strategic foreign exchange reserves exceed 58 billion USD, underpinning currency stability.

10m+

Young population

More than 10 million people, around half of them under the age of 29.

27 GW

Renewable potential

Economically viable onshore renewable potential, plus 157 GW of offshore wind in the Caspian Sea.

E-W / N-S

Transit & logistics hub

Interconnection point of Eurasian transport corridors, with Caspian seaports and growing trade flows.

Priority non-oil sectors

Renewables & green energy

Transport & logistics

Agriculture & food processing

ICT & digital

Tourism

Chemical industry

Light industry

Investors benefit from industrial parks and economic zones, the Alat Free Economic Zone, investment promotion documents with tax and customs incentives, and public-private partnership frameworks.
